Expenses You Cannot Deduct

People commonly hope to deduct some of the following expenses, but unfortunately they are not deductible.

Non-Deductible Expenses:

Expenses that were reimbursed or unreimbursed by your employer.

Apartment Rent, unless qualified to claim away from home expenses for a business trip expected to last one year or less (Temporary Living Expenses), or if a portion is used as a home office (special rules apply to both cases). Also, may be deductible if

[Medical Expenses](#)

maintained for the sole purpose of going to school if your education expenses qualify for the business deduction.

Clothing that is adaptable to everyday wear (this includes suits, evening wear, etc.).

Commuting costs (subways and rail fares, and vehicle use including tolls, gasoline, and parking). Exception if qualified as being away from home on business or as part of Temporary Living Expenses.

Dues to country clubs, golf and athletic clubs, and airline and hotel clubs.

Home phone line

Job hunting expenses

Dry cleaning and laundry (unless you're on a business trip)

Legal fees and closing costs involved in purchasing a property (unless it is for a rental or investment property)

Fees for taking an exam to qualify you in a profession (e.g., Bar Exam, GRE, etc.)

Immigration visa expenses, such as for obtaining a Green Card or H-1B visa.

Moving expenses of any kind beginning in 2018

Moving expenses if you are claiming temporary living expenses.

Meals, unless for business meetings, or while away from home on business. Also, allowable as part of Temporary Living Expenses.

Lunch on the job.

Personal expenses, such as grooming and maintenance (gym membership) unless they are directly related to your business (e.g. models, actors).

Any other personal expenses for which there is no provision for a deduction in the Tax Code.

Interest on personal loans.

Support of family members, unless they qualify as your dependents.

Personal vacations.

Cosmetic surgery to improve personal appearance

Contributions made to individuals or foreign charities.

Student loan interest if adjusted gross income is greater than \$85,000 (single) or \$170,000 (married).

Student loan principal.

[Medical Expenses](#)

State transfer tax
Withholding taxes

Qualified Medical Expenses

Generally, you can only deduct the excess over 7.5% of Adjusted Gross Income, and then only if you can itemize on Schedule A. This means that if you make \$100,000, you can only deduct the amount of medical expenses you spent over \$7,500. Please also refer to IRS Publication 502: Medical Expenses.
